

Quantum Leap Coaching

KW Next Gen's (formerly KWKC) Quantum Leap (QL) Coaching Program provides free coaching to young professionals and aspiring leaders who have attended a Quantum Leap event with a KW Next Gen Instructor (or QL Summit) in the past 12 months.

Those awarded QL Coaching will receive six sessions with a professional coach. These sessions take place over the course of three months and are focused on learning to leverage Quantum Leap models and systems, specifically the mission statement, GPS, and 4-1-1, to achieve goals and pursue their personal mission.

QL Coaching is made possible by coaches from KW MAPS Coaching and other coaches within Keller Williams who volunteer their coaching services.

QL COACHING DETAILS:

- Recipients will be announced within 2 weeks of submission deadlines.
- QL Coaching is not a financial scholarship. Funds will not be given to recipients, nor can they be reallocated for other purposes.
